Claims 1-20 are allowed over the prior art of record and in light of applicants' arguments.

Examiner was unable to locate the IDS filed by applicant on 6/26/02 and 8/07/02. A copy of the references and the 1449 are requested by the examiner for consideration.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach at least intercepting and modifying a data resource request issued by a user requesting data from a network prior to the data resource request being advanced by a first data server, wherein the requested data remains unmodified through the delivery of the requested data from the data server to the user.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frantz B. Jean whose telephone number is 571-272-3937. The examiner can normally be reached on 8:30-6:00 M-f.
